

## Plasma Scientific Journal - Author Agreement

This agreement takes effect upon acceptance of the Submission entitled \_\_\_\_\_ (“Submission”)

for publication.

By submitting this agreement, the undersigned author hereby grants to *Stichting The Keshe Foundation*, on behalf of its **KF Plasma Times** (hereinafter “Publisher”), the non-exclusive right to reproduce, translate, display, and/or distribute the Submission as part of *Plasma Scientific Journal* (“Journal”), in print and electronic format and in any medium. You also agree that the Publisher may make and retain more than one copy for the purpose of preservation, security, and backup. You represent that you, as sole author and/or on behalf of your co-authors, have the authority to grant the rights contained in this agreement. You also represent that your Submission does not, to the best of your knowledge, infringe upon anyone’s copyright. If the Submission contains material for which you do not hold copyright, you represent that you have obtained the unrestricted permission of the copyright owner to grant the Publisher the rights in this agreement, and that such third party owned material is clearly identified and acknowledged within the text or content of the Submission. Alternatively, you represent that your use of third party material is allowed because the material is in the public domain or you have performed a fair use analysis and reasonably believe your use is permitted.

The author understands that the Publisher may grant these same rights to Journal. Additionally, the author also grants the right to both Journal and Publisher to enter into agreements with third party entities that grant such third party entities any or all of the rights that author has granted to Publisher herein. The aforementioned rights may include the rights necessary to index and abstract the Submission.

The author agrees that any subsequent publication of the Submission will credit the Journal as the site of first publication and provide a link to the Journal website. The Submission is expected to be extended by other author(s) who followed the same experimental method and wish to compliment the original work with their Results/Observations.

The Publisher does not implement the peer review process of any kind other than for the purpose of ensuring the correct use of English (or any other language the Submission is written in) and issuing suggestions to author(s) in regard to the readability and clarity of the work presented in their Submission. The Publisher does not charge any publishing or article processing fees and upon agreeing, offers support to Author(s) in writing or re-writing their Submission.

*Plasma Scientific Journal is published under a **CC BY-SA 4.0** Creative Commons license, to allow for certain types of reuse without permission. By submitting this agreement, the author agrees to apply a **CC BY-SA 4.0** license to the Submission upon publication. Licence terms available at: <https://creativecommons.org/licenses/by-sa/4.0/>*
